I've met Jesus. I talked to him.
He told me to tell his brothers
that he has risen, and that
he has gone to "His Father
and his God".

I'm not sure who to go to -
Jesus said his brothers,
but I think he might mean
the disciples. At least I know
where they are.

It's a puzzling time.
Some women say that
the tomb of Jesus is
open and the body
gone; some of the men
have confirmed this.
