We're at the High Priest's mansion - John says he can get us in.

I got us in OK - Jesus is being interrogated by Annas, in Caiaphas' house.

Jesus is in the upstairs  
room. He isn't saying  
much. They are trying  
to find an accusation.

I don't want to say where  
I am, but I think we're  
safe for now.

They almost recognised me.  
I denied everything and  
I think I got away with it.

They're still interrogating  
Jesus upstairs. It sounds  
as though he is being  
beaten.

We're getting ready to  
move off - I think there's  
a meeting of the  
Sandhedrin. This is  
going to be a big trial.

John and I are just  
outside the Sanhedrin  
hall of judgement.  
The priest have just  
gone inside. Jesus is  
to be tried.
