We're at Gethsemane.  
We stopped on the way to  
pray in the Temple courts  
and Jesus gave a discourse  
Something's happening.

We're in Gethsemane.  
I should be praying,  
but I'm very tired.

That was intense.  
The authorities nearly  
got me - I think they  
got Jesus.

The authorities seem  
to have gone. Everyone  
is in hiding. I don't know  
where they are.

I only just escaped.  
I had wrapped a  
bed-sheet around me,  
but someone got it in  
the chase. They nearly  
had me too.

Everyone is coming out  
of hiding. Where should  
we go? We can't stay here  
- they'll be back and find us.

Eight disciples have  
emerged from hiding.  
I'm going to take them  
back to the house in  
the city.

Where are Peter, Thomas and John? Have the priests got them as well? Were they arrested?
